

Soft rollout part ii – My Favorite World

Here's the unofficial debut of My Favorite World, the weekly Wednesday i2b feature. A preview teaser of what next week's grand opening will bring.

Monday – “The Moral Uncertainty of Hero Worship: Each of these things is just like the other, just like the other”

Wednesday – A few words about a new recording from two of my favorite guitarists.

Just Another Blog from FLA

Welcome to the about-to-be *Immune to Boredom* blog.

From December 1, 2014, until December 2, 2015, you can count on:

- No Moral Monday: A post with no moral. Stories, essays, opinions, questions. But no moral or epiphany.
- My Favorite World: A Wednesday post about trivial things that are as important as your life.
- Wanton Words: Whatever I want. Whenever I want.

Check out the manifesto and about page. Regular posting begins Monday, December 1.
